

STUDENT BULLETIN

1. Regular bus routes and schedules will be maintained on each examination day. Buses will depart as indicated on the schedule. **NO LATE BUSES.**
2. Students reporting to school during a period when they do not have an exam scheduled must report to a study hall. Students will not be allowed to wander corridors or congregate in outside areas. Check with the main office for location of study halls.
3. Students may not report to an exam late. If the student arrives late, he/she will be sent to a study hall and will have to make up the exam within the designated make-up time during exam week.
4. Examinations will be a full two hours in duration. **Students finishing early for whatever reason must remain quietly in the examination room.** No one will be permitted to go to lockers except prior to the morning examination and during the break between the examination periods.
5. *All students must take examinations when scheduled.* **An examination cannot be taken prior to the scheduled exam period.** Make-up examinations, by nature are difficult to cope with and if delayed, may cause the student to receive an "incomplete" at the end of the term. "Illness" or "serious family emergencies" will be the only valid excuses for make-ups. Parents must call the school and speak to an administrator to explain any student absence before the student will be allowed to take the examination missed.
6. A student who misses an examination must make arrangements with his/her teacher to make-up the examination **immediately.** **If students fail to make up exams immediately, they will lose the right of make-up.**

NOTE: *Examinations taken in the summer will be scheduled at the convenience of the principal or assistant principal.* Students will receive a zero grade on examinations not made up before Labor Day.

KING PHILIP REGIONAL HIGH SCHOOL
